

Suggested Privacy Statement

We're excited to share news of our partnership with seasoned NIHR CRN (National Institute for Health Research Clinical Research Network) experts, seamlessly integrated into our practice team. In the pursuit of advancing medical research, these professionals, alongside our practice team, may access your patient record for pre-consented activities. This involves identifying potential eligibility for research opportunities and supporting recruitment and follow-up for clinical trials. This process operates under the lawful bases of Article 6 (public task) and Article 9 (substantial public interest) of the GDPR. Be assured, that your privacy and data security are rigorously safeguarded. This collaboration also supports NIHR and NHS's pursuit in improving equality to access research. Any eligible individuals will be contacted by the practice, and their consent will be requested before any further processing takes place.
